# Spring Meeting of Young Economists 2021

Dear colleagues,

We are pleased to announce that the 25th Spring Meeting of Young Economists (SMYE 2021) will take place at the **Department of Economics - University of Bologna (Italy)** on **June 17 - 19, 2021**.

The goal of the conference is to promote the exchange of ideas and experience among young economists conducting research in all fields of economics. More information about our mission can be found on the website of the European Association of Young Economists: <https://eaye.weebly.com/>.

The upcoming SMYE 2021 is delighted to announce four distinguished keynote speakers: **Davide Cantoni** (Ludwig-Maximilians-Universität München), **Paola Conconi** (Université Libre de Bruxelles), **Juan Dolado** (Universidad Carlos III Madrid) and **James M. Snyder** (Harvard University). Further details concerning the conference are available on: <http://smye2021.weebly.com/>.

You are cordially invited to submit your extended abstract (between 4,000 and 8,000 characters) or full paper at <http://www.conftool.org/smye2021> by **15 November 2020**. To achieve a fair, unbiased process for the evaluation of submissions we ask authors to submit documents that contain neither their name nor their affiliation. Authors will be informed about the acceptance of their submission by early February. This year's participation fee for accepted participants will be 70 euros. Participants will have to cover their expenses for travel and accommodation. We hope to be able to hold the conference in person, but if the pandemic makes that impossible, we will hold a fully online conference instead. A prize for the best paper will be awarded during the conference.

Spread the news, tell your friends and colleagues! We look forward to meeting you in Bologna!
